Attention of Mr. Klein

Dear Sir:

I paid a visit to your office yesterday and talked with Mr. Plant and was advised by him to write you a letter.

I am the Business Manager of the Newark Eagles Baseball Club, and your office assigned our compensation insurance last year to the Employers Liability Assurance Corporation, Ltd. At that time in going over the roster of the help, I was classified as an Office Worker. This year the Insurance Company is insisting on classifying me with the ground help, which of course is a much larger premium.

I am writing to ask you please to adjust the matter for me and notify the Insurance Carrier what my classification should be. My work is conducted entirely from the office, at no time do I go on the ball field, or have anything to do with the management of the ball club as a team. The manager of the Ball Club is Mr. Willie Wells, who plays shortstop on the team, he has all say about handling of all ball games. I visit the parks as a spectator, but sit in the stand and have absolutely nothing to do with the team. I do not take part in any ticket selling or taking, or anything of that kind. Mr. Manning of the Employers' Liability Assurance Corp. located at their Newark office, 1180 Raymond Boulevard said he will have to receive a letter from you about my classification, and I have also received a communication from the main office, 110 Milk St., Boston, Mass. from Mr. H. H. Mitchell, Supt. Accounts Dept.

I will greatly appreciate your taking care of this as soon as possible, as there is an additional premium due, without this premium of mine, and I would like to take care of it right away.

Thanking you very much for your cooperation.

Very truly yours,
